**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am currently a Sonic fiber user and would love to continue on using fiber for my internet connection and telephone service instead of being pushed back to big company like AT&T or Comcast due to lack of choice. My small internet company provides a reasonably priced alternative for customers like me. I used to be customer of AT&T and Comcast but have decided to use fiber due to connection speed and price.

Please keep the competition that exists now and the options for customers to choose.
